

Curriculum vitae

Dr. rer. nat. Johannes Gibhardt

JRG Microbial Processes of Nitrogen Transformation, FG 190y
 Institute for Biology
 University of Hohenheim
 Garbenstr. 30, 70599 Stuttgart, Germany
 Phone: +49 (0)711 459-222 86
 Mail: johannes.gibhardt@uni-hohenheim.de

PERSONAL DATA

Date and place of birth	19.01.1991, Kassel, Germany
Nationality	German
Family status	Married, 1 child

PROFESSIONAL POSITIONS

Junior Group Leader 07/2024 – present	University of Hohenheim, DE FG 190y, Junior Research Group “Microbial Processes of Nitrogen Transformation”
Researcher 09/2023 – 06/2024	University of Hohenheim, DE FG 190h Molecular Microbiology
DFG Walter Benjamin position 10/2022 – 08/2023	University of Hohenheim, DE FG 190h Molecular Microbiology
DFG Walter Benjamin fellowship 07/2021 – 09/2022	Peter the Great St. Petersburg Polytechnic University, RU, Research complex Nanobiotechnology
Researcher 11/2019 – 03/2020	BTU Cottbus-Senftenberg, DE Department of Synthetic Microbiology
Researcher 04/2019 – 10/2019	Georg-August-University Göttingen, DE Department of General Microbiology

ACADEMIC EDUCATION

Dr. rer. nat. 10/2015 – 04/2019	Georg-August University School of Science, doctoral program “Microbiology and Biochemistry” – <i>magna cum laude</i> , Georg-August-University Göttingen, DE Department of General Microbiology
Master of Science 10/2013 – 08/2015	Microbiology and Biochemistry – <i>degree awarded with distinction</i> , Georg-August-University Göttingen, DE Department of General Microbiology
Bachelor of Science 10/2010 – 08/2013	Biology, area of specialization “Molecular Life Sciences” – <i>degree awarded with distinction</i> , Georg-August-University Göttingen, DE Department of General Microbiology
